

# ANCIENT ROUTES PROJECT

Getting to know our region and world oriented towards the discovery of cultural heritage of the regions of Partner schools in the area of routes and roads. The aim of the project is to make the E -pictured book of each ancient route and prepare presentations about ancient routes, The duration of the project is scheduled for two months, so that all students in the class can take place in it. This project is designed for a group of students who learn to work together and cooperate among themselves.

- Improve communication skills in English language, create presentations in cooperation with the partner schools.
  - Support, developing cooperative learning and group work of students.
  - Exploit information and communication technologies for finding information, solutions of tasks, sharing the results of the project in Twinspace places.
  - Get to know ancient routes and their effects in regions of partner schools.
- 
- Uluslararası Projede Öğrenciler Tarihi İpek Yolu güzergahını, bu tarihi ticaret yolunun hikayesini ve önemini kavradılar. Ticaret yollarının, girişimciliğin, ticarete uluslararası ilişkilerin ve kültürel etkileşimin etkilerini, ülkeler ve toplumlar için değerini kavradılar. 21. yy. becerilerini ve yabancı dillerini geliştirdiler.

# İPEK YOLU

**Projelerimizi 1. Çankaya İlçe Milli Eğitim Müdürlüğü'nün organize ettiği Proje Tanıtım Gününde öğretmenlerimiz ve öğrencilerimizle tanışma fırsatı bulduk.**
